Rosa canina (Dog Rose)	b'root	60/90	1.00

NB: Whips come in bundles of 25

Planting tips: Suggested distance for **hedges** 4-5 plants per metre. For a **stock proof hedge** use 75% Hawthorn with 25% other native shrubs. If a **dense hedge** is required a double row of planting is recommended (1' between the plants and 1' between the rows and plants should be staggered). For a **small Box hedge** plant 9" apart.
